

WINTER CAMP

FEB 22ND-24TH, 2019

A LETTER FROM THE STUDENT MINISTRY DIRECTOR

Dear SM Parents & Guardians,

We are beyond excited that you and your student are interested in this upcoming year's Winter Camp! Our Student Ministry Team has been working diligently to put together one of the best events for your teenager. I truly believe this year's Winter Camp is the one event not to miss.

The entire focus of Winter Camp is discipleship. Our goal is that over the course of this weekend, your student will not only grow closer to Jesus but also that your student will be able to better identify where they are in their faith journey and what is the next step. Everything we do in the Student Ministry is built around the goal of creating Student Leaders who will create more Student Leaders, and this event is a catalyst in helping students take one step closer to that goal of becoming a student leader.

This year's Theme is "The Time is Now." This year's theme unpacks the mindset that student's are not the leaders of "tomorrow" but rather that they are the leaders of today! We believe every single student has been given unique gifts, talents, strengths, and influence to make a difference for the Kingdom of Christ. Our hope is that through this theme, we will create a spark for your student, no matter where they are in their faith journey, to take the next step of faith rather than waiting until they are "older" or for when "the time is right." Rather, the time is NOW to step into God's calling for their life.

One shift we have made from previous years is that our Student Ministry Team is producing the entire Winter Camp Experience. That means, all the planning, writing, scheduling, production, messages, bible studies, games, activities are all 100% custom tailored our students and their specific needs in the New Life Student Ministry. This I am especially excited about!

Throughout this packet you'll find information regarding Winter Camp and the registration process. We look forward having your student join us for Winter Camp!

WINTER CAMP 2019

FREQUENTLY ASKED QUESTIONS

WHERE IS WINTER CAMP?

Winter Camp this year will be at Camp Ponderosa Ranch in Heber, Arizona. Around 4.5 hours from Tucson, tucked away beautifully in the northern mountains of Arizona, Camp Ponderosa Ranch is located right next to the Apache-Sitgreaves National Forest and Overgaard, Arizona. It does often get snow in the Winter time, so be sure to pack plenty of warm clothes!

3201 Forest Service 504, Heber, AZ 85928

HOW MUCH IS WINTER CAMP?

Winter Camp Costs \$150. The non-refundable deposit is \$50. Registration starts November 4th, 2018 and will remain open until February 10th, 2019. Payments can be made via check or cash with the Paper Form or Credit Card Payments can be made on-line at newlifetucson.com

WILL MY STUDENT NEED ANY MONEY AT CAMP?

Your student will need money for dinner on Friday evening. All their other meals are provided for. For that Friday evening dinner, we will be eating on the road but will be sure to make all accommodations for any special dietary needs. Be sure to put any dietary restrictions or needs on the information page. The only other expenses will be some of the special made Student Ministry merchandise (stickers, shirts, sweatshirt) we will be selling ranging from \$2-\$25.

WHAT SMALL GROUP WILL MY STUDENT BE IN?

Typically our groups range from 6-10 students per group with their adult leaders. While we cannot make any guarantees for how our groups will be made, our team works incredibly hard to put your student with their friends while being inclusive to newer students as well. One new part of the registration form this year will include a spot for your student to request one friend to be in a group with as long as both students are in high school or junior high together. We will work incredibly hard to make sure your student is with their requested friend.

ARE CELL PHONES ALLOWED AT WINTER CAMP?

Typically, during Summer Camp our students do not have their phones. With Winter Camp being only over a weekend rather than a week long camp, we are permitting students to have their cell phones during Winter Camp as long as the device is used at only appropriate times and it isn't a distraction to them or anyone else. If the device becomes a problem or a distraction, their leader will ask the student to turn their phone in to the Student Ministry Director for the remainder of Winter Camp.
